

Ventura Housing Authority
Santa Clara Apartments "Green" Renovation

ADDENDUM 1

July 22, 2010

The following changes, additions and deletions are hereby made to the contract documents. All other contract requirements remain unchanged.

DRAWINGS

1. Drawing G0.00

- a. Please take notice of last paragraph in Scope of Work "This is a general summary of work and does not limit or change the work described in the drawings and specifications."

2. Drawing G0.01

- a. Add to Demolition Notes: "4. The building has been tested and there is no lead present except in 3 exterior doors – location to be determined. No further lead testing or abatement to be done."

3. Drawing A1.02

- a. There is a note at Unit 8 regarding the bottom three rows of tile that only applies to Unit 8.

4. Drawing A1.03

- a. Revise the model # for the Amana range in note 8 to "AGR3311WDW"

5. Drawing A5.02

- a. Add Detail 11. Insulation Installation Details. See attached.

6. Drawing A3.01

- a. Revise Note 3. To "Completely fill all exterior wall cavities that have a 1 1/2" width or greater with blown insulation and cavities between 1/8" to 1 1/2" with caulking or spray-foam sealant."

7. Drawing A6.01

- a. Please take notice of Door Remark #5 for Door Type C. The existing door is to remain but to be undercut.
- b. Revise Window Notes 1. "Remove and protect all original blinds from the inside of the window opening and surface mount with L-brackets on wall at top edge of window opening"

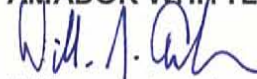

SPECIFICATIONS

1. Section 01170-2

- a. Remove note 5.d. "The contractor shall provide continuous after work hours construction site security in accordance with Section 01500, E. of these specifications."
